

The background of the entire image is a dense, close-up photograph of green leaves, likely from a plant like Euonymus alatus, showing detailed vein patterns and a slightly glossy texture. The lighting is soft, creating a range of green tones from deep forest green to a brighter, more vibrant green where the leaves catch the light.

FRANCIS CHAN WITH MERCY GORDON

Bestselling author and pastor Francis Chan explains how abiding in the love of God frees us from insecurity and leads us into a lifetime of joyful, worshipful obedience.

Despite pastoring for decades and reaching thousands of people through his books and preaching, Francis wrestled with deep-seated insecurity. He understood God's love conceptually, but struggled to actually experience it. This resulted in a life that was far from the thrilling and peaceful life God saved us for.

Francis prayed fervently for God to intervene. The result was a fresh revelation of the depth of God's love and affection. This brought about newfound freedom and enjoyment of God that only continues to grow. As Francis shared this journey with others, he realized that many in the Church are burdened by the same insecurity, and God is zealous to change this.

In *Beloved*, Francis Chan gives biblical insight into:

- How our restlessness and striving is a symptom of our disbelief of God's love
- Discovering and abiding in our identity as God's beloved children
- How God's love overflows to a life of radical obedience and joy

God longs for His children to rest securely in His holy love. It's what we were made for, and it is this inward confidence that causes us to be light unto the world.

HEALING IN THE DESERT

Finding Your Voice on the Journey from Brokenness to Freedom

CHRISTINE D'CLARIO

One of the most influential international worship leaders draws on her own story of brokenness and healing to extend a tender call to care for every part of who we are—soul, body, and mind—without guilt or fear.

Worship artist Christine D'Clario knows firsthand what it means to break down—and how God puts us back together. She knows that many of us in faith communities struggle silently with anxiety, depression, and burnout but are hesitant to show any sign of weakness. She knows that well-meaning churches and friends often emphasize spiritual answers while leaving emotional and mental-health concerns underdeveloped or stigmatized.

In this beautifully vulnerable, ultimately hope-filled book, Christine shares her story of ongoing healing along with insightful research and biblical wisdom. *Healing in the Desert* frees us to:

- Embrace the difficult seasons in our journey and learn the basis of holistic self-care rooted in faith and Scripture
- Find companionship and understanding through another Christian's struggle with suicide, trauma, and depression
- Pursue God with our whole heart, with an expectation to experience God's presence, not our perfection

With practical takeaways for whole-person well-being, *Healing in the Desert* breaks down walls of isolation to offer a compassionate path to communion with God that honors every part of how He made us.

FAKE ID

How AI and Identity Ideology Are Collapsing Reality—and What to Do About It

ABDU MURRAY

Is it possible to know what's real anymore? Unchecked AI and shifting gender ideology are reshaping how we see truth, identity, relationships, and what it means to be human. These cultural tsunamis sweep us away reality itself.

Former Muslim turned Christian apologist Abdu Murray shows us how rekindling a love for transcendent truth helps us reclaim what is being lost in unsettling times. Spiritual seekers, as well as anyone feeling overwhelmed or helpless about our cultural landscape, will find grounding and hope here. *Fake ID* empowers readers to:

- Discern what is real apart from cultural influence and pressure.
- Think critically about AI and gender identity.
- Be who God calls them to be rather than who culture tells them to be.
- Understand why we are neither biochemical machines nor gods of our own making.
- Anchor their confidence in what it means to be human through of the Bible's timeless truth.

In an age of identity crisis, *Fake ID* anchors us in reality by compassionately offering logical, scientific, and moral clarity through the lens of Scripture's enduring wisdom.

FROM GENESIS TO JUNIA

An Honest Search for What the Bible Really Says About Women in Leadership
PRESTON M. SPRINKLE

Starting from a place of genuine searching, bestselling author Preston Sprinkle challenges assumptions and models gracious theological inquiry in this thoughtful exploration of what the Bible says about women in church leadership.

From Genesis to Junia offers something rare: an honest journey through Scripture that begins with questions rather than answers. With theological rigor and a pastor's heart, Preston Sprinkle opens the Bible with fresh eyes and invites us along as he examines key passages from Genesis to Revelation—weighing historical context, interacting with a variety of scholarly perspectives, and holding familiar views up to Scripture. This informative and spiritually profound book provides:

- A respectful challenge to both complementarian and egalitarian assumptions
- Insightful analysis of texts such as 1 Corinthians 11, Romans 16, and 1 Timothy 2
- A model for navigating controversial topics in the church

This open-hearted approach to a complex issue offers a healthy example for dialoguing about tough theological questions. Readers will walk away not with superficial answers but with biblical confidence, deeper understanding, and a gracious posture for engaging with others.

HOW'D I MISS THAT?

Gas Pump Confessions, Drive-Thru Obsessions, and Figuring Out What Really Matters

CYNTHIA YANOF

Holy moments sometimes come wrapped in chaos and the desperate need for curly fries.

In *How'd I Miss That?* popular podcaster Cynthia Yanof shares the good, the bad, and the marginally inappropriate things she swore she'd never admit out loud. Because it turns out color-coded planners and alphabetized spice racks don't make much difference for eternity. What matters most is the way we move through life showing kindness, generosity, and an unshakable love for Jesus in the small, easily missed moments.

So sit down for a hilarious and relatable story time as Cynthia shares:

- Inspiration to become who we wanted to be before multi-tasking morphed into barely holding it together
- Biblical assurances that it's not just the "big" moments God uses to bring light into our homes, our workplaces, and our communities
- Funny and heartfelt examples of finding ordinary ways to live out extraordinary faith

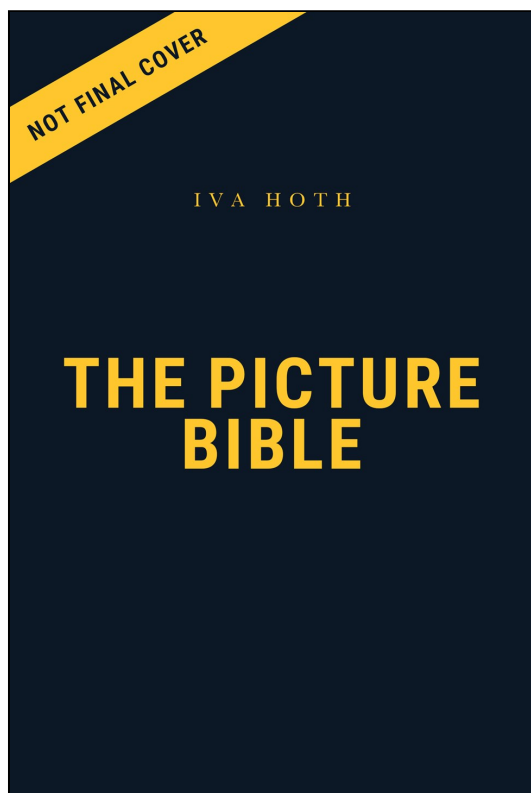

For every woman who thought she'd be bold and brave but now spends an exorbitant amount of time looking for her phone and cursing her plantar fasciitis—this faith-boosting, heart-warming book reminds us that all it takes is a mustard-seed mentality to realize that tiny acts of faith, sown daily, grow into something beautiful for God.

THE HEART WHO WANTED TO LASSO THOUGHTS

BETH GUCKENBERGER

When a heart feels left out, what can stop the stampede of grumbly thoughts? Prayers of thankfulness and a lasso of gratitude can change any child's day—and life!

The party looks so fun! Full of party food, games, and people! But one little cowboy is uninvited and oh-so-unhappy. Bad thoughts threaten to carry his heart away, but God helps him learn to lasso those thoughts with thankful prayers. See how the power of gratitude can help us all fight off envy and discontentment with hope and joy.

Each book in the StrongHeart Stories helps children develop the language and biblical tools they need—Scripture, worship, rest, confession, prayer, and community—to be strong for the heart battles they face. In *The Heart Who Wanted to Lasso Thoughts*, based on 2 Corinthians 10:5, children learn how to be thankful for the good all around them instead of being carried away by negativity. Let's train an emerging generation to grow strong hearts and sound minds and be free from the power of the enemy!

Perfect for babies, toddlers, and preschoolers, this delightful four-book board book series helps little ones explore emotions, movement, colors, and sounds—all through the lens of God's love and creativity.

Each lively read-aloud features playful rhymes, bright illustrations, and interactive elements that encourage young children to chime in and engage their senses. Whether it's naming feelings, moving their bodies, spotting colors, or listening to sounds, little ones will discover:

- God made all of me—inside and out!
- It's good to talk, move, feel, and explore.
- We can thank God for the amazing ways He made us.

Each book in the charming God Made All of Me series helps you celebrate with your child that every part of them – from their emotions to their wiggles to their curiosity – is beautiful in God's eyes.
